## BEFORE THE TENNESSEE REGULATORY AUTHORITY

## NASHVILLE, TENNESSEE

August 5, 2002

IN RE:	
APPROVAL OF THE AMENDMENT TO	DOCKET NO. 02-00504
THE INTERCONNECTION AGREEMENT	DOCKET NO. 02-00504
NEGOTIATED BY BELLSOUTH	
TELECOMMUNICATIONS, INC. AND	
BUSINESS TELECOM, INC. PURSUANT TO	
SECTIONS 251 AND 252 OF THE	
TELECOMMUNICATIONS ACT OF 1996	

## ORDER APPROVING AMENDMENT TO THE INTERCONNECTION AGREEMENT

This matter came before Chairman Sara Kyle, Director Pat Miller, and Director Ron Jones, of the Tennessee Regulatory Authority (the "Authority"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on July 23, 2002 to consider, pursuant to 47 U.S.C. § 252, the Petition for Approval of the Amendment to the Interconnection Agreement Negotiated Between BellSouth Telecommunications, Inc. and Business Telecom, Inc. Pursuant to the Telecommunications Act of 1996 (the "Amendment").

The original Interconnection Agreement and the first Amendments thereto were filed on June 9, 2000 and were assigned Docket No. 00-00478. The Authority approved the Agreement and the first Amendments at the August 15, 2000 Authority Conference. The second Amendment to the Agreement was filed on December 14, 2000 and was assigned Docket No. 00-01111. The Authority approved the second Amendment at the February 21, 2001

Authority Conference. The third Amendments were filed on July 19, 2001 and were assigned Docket No. 01-00663. The Authority approved the third Amendments at the September 25, 2001 Authority Conference. The parties filed a fourth Amendment on December 10, 2001, under Docket No. 01-01099. The Authority approved the fourth Amendment at the February 5, 2002 Authority Conference. The fifth Amendment, which is the subject of this docket, was filed on May 3, 2002.

Based upon the Petition, the record in this matter, and the standards for review set forth in 47 U.S.C.§ 252, the Directors unanimously approved the Amendment and made the following findings and conclusions:

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104.
- 2) The Amendment is in the public interest as it provides consumers with alternative sources of telecommunications services within the BellSouth Telecommunications, Inc. service area.
- 3) The Amendment is not discriminatory to telecommunications service providers that are not parties thereto.
- 4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it "discriminates against a telecommunications carrier not a party to the agreement" or if the implementation of the agreement "is not consistent with the public interest, convenience or necessity." Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d). Thus, although the Authority finds that neither ground for rejection

<sup>&</sup>lt;sup>1</sup> See 47 U.S.C. § 252(e)(2)(B)(Supp. 2001).

of a negotiated agreement exists, this finding should not be construed to mean that the Amendment is consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

- 5) No person or entity has sought to intervene in this docket.
- 6) The Amendment is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104.

## IT IS THEREFORE ORDERED THAT:

The fifth Amendment to the Interconnection Agreement negotiated between BellSouth Telecommunications, Inc. and Business Telecom, Inc. is approved and is subject to the review of the Authority as provided herein.

Sara Kyle, Chairman

Pat Miller, Director
